

## Cristalmar Resort & Beach Club by Mark Nayman

Cristalmar Resort & Beach Club is located on an island of the coast of Cancun. Because it is along the bay side of the island, Cristalmar's beaches are calm and have abundant white sand. Isla Mujeres is known for its scuba diving and snorkeling opportunities, along with numerous other water activities. Hourly ferry service and water taxis connect with the mainland, just a 15-minute ride.

Cristalmar is on the island of Isla Mujeres, a short ferry ride from Cancun. (So if you want to sight see the area, it's easily available.) The island has towns, restaurants, and bus service so you can get anywhere easily. You can also rent a golf cart to get around if you want to. If you want crowds or a party, stay in Cancun. If you like a taste of the real, laid-back Mexico, try Isla Mujeres.

Cristalmar Resort and Beach Club is a small resort with 36 units. The 2 bedroom units have 1 bath and the second bedroom is behind the master bedroom. This does not offer very much privacy for 2 couples, but works great for a family. Each unit has a kitchen with electric burners, sink, small fridge and table and chairs. Microwaves, coffee makers and blenders are available, but you must ask for them. I know people that drink the water from the tap, but we always get bottled water from the front desk. Sometimes you are charged \$5 for a 5 gal. container and sometimes not. Depends on who is at the desk. There are three 2 bedroom, 2 bath ocean front units. These cost extra and are usually full. You may be able to trade into one of them.

This timeshare resort is right on the beach. There is a pool with new chairs, tables and umbrellas. The restaurant has very good food. It is a little expensive by the island's standards, but the convenience is worth it. The staff is wonderful. They can book tours on the island or in Cancun, get a taxi or golf cart or even call and have pizza delivered. You can use their computer for e-mail, etc.

Cristalmar is away from the downtown area. You can walk about a quarter mile to the bus stop and pay 4 pesos for an interesting bus ride to town. A taxi will cost you 42 pesos from the resort.

The resort is undergoing some renovation. The units are all clean and have daily made service. Everything is marble or tile. Some of the kitchens have been remodeled. You will not get waited on hand and foot. But, you will get a flower for your hair each morning. You will meet very friendly people that stay there and that work there. You will

not have to put a towel on your chair at 7:00 am. The sunsets from the pool are absolutely beautiful. People come to this resort for the tranquility, atmosphere and friendliness that it offers.

There are no elevators. There are steps to the 3 floors on each end of the resort. There is a barbecue pit that is available for anyone to use. They are working on having a dive shop next door. You can be picked up on the dock or beach in front of the resort for dive and/or snorkeling trips.

This resort is great for couples and/or families. There are no planned activities, but there is plenty to do on the island. This is not a partying resort, but there are places to party downtown if that interests you.
