

Mark Nayman and his [Review of The Cancun Clipper Club](#)

Cancun is surrounded by timeshare resales vacation treasures, from the fascinating Mayan ruins to the silky, white-sand beaches great for sunbathing. **Mark Nayman** has resales available at The Cancun Clipper Club, located next to a shopping mall, you will find a wide variety of entertainment and handicrafts as well as a pool and restaurant. Water sports are also available at the resort's marina.

The Cancun Clipper Club timeshare resort is seen to be less touristy and more Mexican which means friendly, because Mexicans are hospitable by nature. The location on the bay side of the point of the peninsula has several advantages. You are within walking distance of beaches on either the east or north sides of the peninsula so if the wind is from the east and you want to play in the waves you go to the east beaches or if you want a calm sea you go to the north beaches. You are centrally located for all shopping and eating establishments which saves a great deal of time in traveling. The bay is beautiful too!
