The resort has 6 sets of buildings with various size rooms, 2 pools, 3 restaurants (plus a beachside grill), 2 bars and a nice stretch of beach. The beach is not overly wide, but there is more than enough room to accommodate guests. Beaches Sandy Bay timeshare resort is not a large resort and is well laid out. Each of the buildings has one end near the beach, and is angled so that almost every room has a view of the ocean. From the furthest rooms, it is a very short walk to the restaurants and front desk.

The beach has plenty of lounge chairs, many in shaded areas, a volleyball net, a small tented area to enjoy food from the beachside grill and the water sports area. There is a lifeguard on duty from 9-5, for the roped off ocean swimming as well as at the main pool.

Between the buildings are well maintained paths and lawns. Everyday the staff would be sweeping the sand from the walkways, maintaining the landscaping, and raking the beach. The beach has many trees, and due to the staff's hard work, is free of trash or leaves.
