

## **Great House Villas at the Half Moon Club**

By **Mark Nayman**

Experience the exotic vacation paradise of Jamaica in elegant fashion at Great House Villas at the Half Moon Club. Located in Montego Bay, this resort has a reputation as one of the world's finest. Golfers will enjoy the Robert Trent Jones 18-hole course, since guests receive a 50% discount on green fees. The resort has 13 tennis courts (seven are lighted), four squash courts, two outdoor pools, a sauna, a gym, a clubhouse, and a park. White-sand beaches and beautiful ocean waters offer prime conditions for most water sports. Also enjoy fine dining, live entertainment, and duty-free shopping.

The main building where you check in is very impressive with Roman style pillars out front a beautiful entry way with marble tile floors, many beautiful paintings on the walls, a gorgeous chandelier in the ceiling and a breath taking view of the ocean at the end of the entry way. The property is very large and the landscaping is lush and well maintained.

The front desk staff is very friendly, courteous, accommodating and responsive to your needs and requests. The property has a spa, exercise room, tennis courts, basketball court, many swimming pools, water activities, horseback riding, game room, croquet court, large chess board, internet access room, bicycle and golf cart rentals and many other amenities. Not very many planned activities. A barbeque on Monday and Friday and also a manager's reception are held on Friday's.

The ocean water is about ten feet from your balcony which was furnished with two lounge chairs, a table and four chairs. The one bedroom timeshare unit has two baths and is a two story unit. The timeshare unit has tile floors with a large rug in the center under the large coffee table. It has a daybed which is used as a couch during the day and a full size bed at night. There are also two large sitting chairs as well as a smaller chair and desk for writing and a round table and four chairs for dining. There is an ironing board and iron in the closet but no washer/dryer in the unit. There is also a large old fashion radio and a T.V. (maybe 19") in both upstairs and downstairs units. Both units also have four sets of double swinging French style doors which opened to the ocean. A beautiful view from the units. The bedroom has a king size canopy bed, 2 sitting chairs, a table and chair for writing, a dresser draw with 9 draws, 2 night stands, a small refrigerator with drinks, a large walk in closet with plenty of space, a safe, a small bathroom with a single sink and a small bath/shower combination. All floors are tile.

This unit was the perfect location. You have a view of the ocean from anywhere in the unit and could hear the ocean. This is an absolute beautiful property.

There are many restaurants to choose from. The Seagrape and Il Giardino are located on the beach at the end of the lobby entrance. The Sugar mill is located at the Golf course across the street which requires you to take the shuttle.
