Westwind Club, on the ocean with a desirable Cable Beach address, is known for intimate quality and friendliness. Only 22 cottage units, each with a private patio, share a small, private beach, a heated outdoor pool, and a spacious clubhouse with a snack bar. Rent a motorized rubber raft to visit a nearby island great for picnicking and snorkeling. Guests savor sunrises and sunsets from the on-site terrace, which juts into the ocean. The resort is a 10-minute walk from groceries, shopping, casinos, and restaurants. Downtown is only a jitney ride away.

The resort is a small timeshare resort and everyone is very friendly. The units have one good size bedroom and a loft bedroom with two twin beds (a surprize for units listed as one bedroom). The beach is small but very nice. People come to The Westwind Club timeshare when they want to relax.

There are only 22 timeshare units but they are nicely maintained, very clean with updated appliances. The grounds, pool area and clubhouse were all well kept. There is a small private beach area where you could take deck chairs down to the water. The staff were very friendly and cooperative. Because of the smallness of the resort, people were more willing to socialize but at the same time, leave you alone if you wanted privacy.

There were several good restaurants within a 10 minute walk. A grocery store was also an easy 10 minute walk from the resort. The local bus service (jitney) stopped in front of the resort and, you could take the bus into downtown Nassau . You were also only about a 10 minute walk from the casino at the Crystal Palace.
